Thoughts From Tina... *By Tina Dalton, Youth Services Librarian*

We finished up the **Summer Reading storytimes** on Aug. 16 and 18. Thank you to Marsha Long, Hannah Krull, and Josh Dalton

for serving as volunteers to help with storytime throughout the summer.

Make it @ Your Library ended on Aug. 17 with CD hovercrafts as the project. Teen program finished up on Aug. 22 with a pizza and karaoke party.

August continued to have several special activities as part of the summer reading program. On Aug. 1, we had **Chopped** with the teens at

the Cuba Cultural center. Judges this time around were Twila Barr and Mike & Leah Weber. The teens love this activity and it is a great opportunity for the library to collaborate with another Cuba organization.

On Aug. 1, **SBU Art Mobile** came and did recycled art projects with the kids. The **All American Dinosaur Show** came on Aug. 4, and the show was so entertaining we already have plans to bring these paleontologists back next year. The Pfeiffer Nature Center came on Aug. 11 for a special story time on **Animal Olympics**. The

presenter brought a lot of hands on activities that the kids really enjoyed.

On Aug. 18, we had our **End of summer reading party**. We celebrated the end of summer reading at Chamberlain park with Tamara Clothier doing face painting, Marinda Bunk donated the use of her bounce house, and the Berardi family donated snow cones (thank you, Berardi boys, for the donation of your time and hard work as well!)

On Aug. 22-25, we had a **Healthy Relationships class**. This four day program was offered by Catt. Community Action. It taught elementary aged kids how to deal with bullying, inappropriate touching, and other tough topics. The kids who attended really learned a lot about how everyone is unique and that is a good thing!

Summer reading drew to a close at the end of August. Our grand prize winners for the mini iPads were Kaleigh Kellogg (teen winner) and Alexandra Kocsis (kid winner) and the Leapfrog pad went to Christine Goldthwaite (pre-K winner). Our kids and teens reported reading a grand total of 74,355 minutes for the summer.
