Library Advocacy Day is Thursday March 1st. I am planning on attending along with a couple members of Friends of the Cuba Library, Inc. We will be taking a library system-sponsored bus to Albany to speak to our representatives about library funding.

I am nearly finished with the Annual Report and copies for our patrons and local government will be available soon. I will be visiting

 Mark Ribowsky, Hank: the Short Life and Long Country Road of Hank Williams
 Lisa Wade, American Hookup

Thoughts From Tina... *By Tina Dalton, Youth Services Librarian*

For January, our **storytime** topics were snow, mittens, funny books, boxes, and hats. "Boxes" was a new topic for storytime, and it was so much fun. We read books about using our imagination to play in boxes. In the community room I had several boxes for the kids to play in. We sang some songs pretending our boxes were boats and firetrucks, and then the kids had free time to play and pretend. It is very important for kids to have unstructured time for imaginative play, and this activity

gave the kids plenty of time to pretend!

We held the **Yule Ball** on Jan. 20 at the Palmer Opera House. This program was planned and, in many ways, implemented by the **Teen Advisory Board**. The teens helped decorate, plan and organize the play list, and advertise the event. It was so fun—the teens hardly stopped dancing the whole night. The Friends of Cuba Library, Inc., did a wonderful job helping with refreshments, as well as set up and clean up. All who attended agree that it was quite a successful event, and it is

by far our most well attended teen program to date. We hope to make this an annual event.

Lego Club started up again this month. As we hold this program a few times a year, we rotate which day of the week on which it meets. Hopefully this allows children who have conflicting schedules to attend at least once throughout the year. It's good to see that this group is not all boys, but has a nice representation of girls in attendance as well.

February 6 was **Take Your**

Child to the Library Day. We will had a scavenger hunt set up, as well as a 3D printer demonstration. We had a great turn out

to the event and lots of interest in the 3D printer. As a result of the demonstration, we had several requests for objects to be printed.

On Tuesday, February 21 we will once again have the **Cabin Fever** program with Rachel Bell. Musician and educator Rachel Bell will put on a musical workshop for kids in K-5 during the school's winter break.
