

## Thoughts From Tina...

By Tina Dalton, Director

The **Page Turners** will not meet for the months of July and August.

The **Books & Brews** club will meet on Thurs., July 25 at 6:00 p.m., when they will discuss *My Grandmother Asked Me to Tell You She's Sorry* by Fredrik Backman.

The main **book display** for this month is "Hit the Road and the Books This Summer", featuring books with place names in the title.

Dairy Days took up much of our time this month. We had a booth at Genesee Park on Saturday, June 15 from 10-2 that allowed us to do some outreach in the community and

promote our upcoming summer reading program. We also had a float in the parade with 10 people on it. It turned out great, thanks to the efforts of Lynn Fulmer (painting our moons and signs), Cherilyn and her father (he donated his trailer and we all got together to decorate it on Friday at their home), and Chris Dalton (he towed the trailer for us). The kids on the float really enjoyed themselves as well. It was a lot of time and energy, but I believe it was time well spent.

## Chat With Cherilyn...

By Cherilyn Wise, Youth Services Coordinator

School year **storytimes** are on hiatus in preparation for summer reading. However, we did start the **Go Go Garden** club for school-age

students. Tina and I are co-teaching that group. We planted several plants and each week so far we have checked in on the garden, weeded as necessary, then read a story and had a garden-related learning activity.

Another activity happening in June was a **Story Scavenger Hunt** in partnership with the Greenway Trail. We met at the gazebo at the beginning of the trail, read a story, then walked part of the trail together looking for things on a "Five Senses Scavenger Hunt List."

Regular teen and tween clubs/groups are on hiatus for summer.

June was a busy month of visits from the school. In addition to Courtney Lasher's group which comes monthly, I had nine

classrooms come for a **summer reading promotional visit**. I read a story with each class, sang a few space-themed songs, told the students about summer reading, and had a STEAM activity. We used constellation cards and each group built several constellations using spaghetti and marshmallows. All three **kindergarten** classes visited as well for their community helpers unit. We had a brief storytime with that group talking about the library and what it offers to the community.

Both Tina and I were present at the **Dairy Days** festivities, manning a booth in the park and riding on a float with children.

We also had a **Story Walk** set up on the Greenway Trail for the entire weekend of Dairy Days. People were encouraged to walk a section of the trail and read the story *Sheep Take a Hike* by Nancy Shaw.

**Summer reading** will officially start on July 8th, and activities will run through August 17. Be sure to watch the library's website and Facebook page for program details, and pick up a brochure at the library to see a complete list of activities. We have events for all ages!

## Memorials For June...

Memorials were received in honor of **Robert Metcalf** by Patricia Drake; **Anita Nunamaker** by Steve & Diane Robertson.

A gift was received from Pamela Wessel.
