Initial to agree to the following health and safety guidelines during use of the library's community room:

- All attendees will wear masks covering their mouth and nose while in the library building.
- Social distancing will be enforced.
- Attendance must not exceed 30 people.
- Sanitize and wipe down tables, chairs, and any other high touch area accessed during your meeting.
- If your organization fails to follow these guidelines, we reserve the right to revoke access to the library community room.

Please list any other health and safety measures your group has in place:
