Wed, Feb. 8 @ 6:00	Disaster Planning Session

**Personnel:** I completed annual staff evaluations. I'm very pleased with the team we have right now. They work together quite well, and really go above and beyond to serve the public. This year was the closest we've had to "normal" since 2020, and the staff has been working hard to get programming and services back to pre-pandemic levels.

**Community Outreach:** I was invited by the Current Topics Club to attend their Christmas luncheon and present about the library's renovation of the Children's Area. This was a wonderful opportunity to touch base with some of our most supportive patrons.

**Programming:** Due to the upcoming construction project, we aren't scheduling as many programs as we normally would. We are partnering with the Palmer Opera House to hold a few of our upcoming programs there while we are unable to use the community room. I've also reached out to an area church to see if we can hold our upcoming sugaring program there, as we need a kitchen. We will also implement some Take and Make crafts again, as well as virtual programs. We have a virtual author's talk on Feb. 23 where author Rosanne Montillo will discuss her new book "Deliberate Cruelty."

**Finances:** I submitted our 2023 tax cap form via the State Comptroller's site. As voted by the board with the adoption of our 2023 budget, our tax levy for this year has been set at \$231,846.
